Nature of Noncompliance

On January 12, 2021, Reinmann submitted to a polygraph examination with Polygraph Professional Services. The results of the polygraph were “**deception indicated**” to the question, “since your last polygraph, have you had unsupervised contact with minors?” However, after questioning by the probation officer, Reinmann adamantly denied having contact with anyone under the age of 18.

On February 26, 2021, Reinmann submitted to a polygraph examination with Alliance Polygraph. A single-faceted exam was administered which resulted in a “**no deception indicated**” finding for the question, “since your last polygraph, have you had unsupervised contact with minors?”

U.S. Probation Officer Action

Following both polygraph examinations, the undersigned officer questioned Reinmann regarding the results of the test. He adamantly denied having any contact with minors and indicated he was very nervous during the first polygraph with Polygraph Professional Services. He stated he was much more comfortable during his polygraph with Alliance Polygraph. The results of both polygraph examinations were shared with Reinmann’s treatment provider.
